School zones

Our school zone is available on findmyschool.vic.gov.au which hosts the most up-to-date information about Victorian school zones.

Students residing in our school zone are guaranteed a place at our school, which is determined on the basis of your permanent residential address. At times, our school also has additional capacity available to welcome students who are outside of our school zone.

Our school manages enrolments using the [Placement Policy](#) to ensure that students have access to their designated neighbourhood school and may enrol at another school, if there are available places.
